

WISCONSIN ORTHOPAEDIC SOCIETY

The purpose of the Wisconsin Orthopaedic Society is to enhance the commitment of practicing orthopaedic surgeons in Wisconsin to stay current of information and advancements in the dynamic practice of modern orthopaedic surgery, to maintain the highest medical and ethical standards, and ultimately to optimize service and care to our patients. This is encouraged by our members and promoted by our educational and informative process.

SOCIETY CONFERENCES

The society continues its dedication to orthopaedic specific education with an annual conference each fall. Members are able to enjoy complimentary registration rates.

ADVOCACY

WOS works with the American Academy of Orthopaedic Surgeons on legislative issues important to orthopaedics. WOS also participates in the annual Wisconsin Doctor Day, providing the opportunity for physicians to connect with their legislators.

HEALTH NEWS

Receive updates in health news as it relates to advocacy, legislative activity, procedures, and other issues that we face as a specialty.

SOCIETY LEADERSHIP

Grow within your profession and represent your colleagues in orthopaedics by becoming a leader within the Society! Nominations to serve are available to eligible WOS members.
